PROFILE

A passionate junior web developer proficient in the MERN stack, with a strong focus on building dynamic, user-friendly web applications. Experienced in JavaScript, React, Node.js, and MongoDB, I excel at problem-solving and enhancing user experiences. Committed to continuous learning, I am eager to expand my skills and explore new technologies, including machine learning.

SKILLS

- Frontend: React.js, HTML/CSS, JavaScript (ES6+), React Router DOM, State Management (useState, useEffect, Context API), Vite
- Backend: Node.js, Express.js, MongoDB, Firebase, Stripe Integration, Role-Based Access Control
- Tools: Git & GitHub, Postman, VSCode, Vite, Vercel

PROJECTS

Health Caduceus - MERN Stack Web App for Booking and Management (2024)

Live Link : Health Caduceus | GitHub : Client | Server

Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js)

Features:

- Integrated secure payment processing with Stripe.
- Built a dynamic user interface with React.js.
- Streamlined health camp booking, payments, and participant management.

Kewywords: Secure Payment Integration, Role-Based Access Control, CRUD Operations, RESTful APIs

Nurturing Energetics- Restaurant Management Website (2024)

Live Link : Nurturing Energetics | GitHub : Client | Server

Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js)

Features:

- Developed e-commerce functionality for buying and selling food.
- Implemented user reviews and a gallery section.
- Enhanced security with user authentication and authorization.

Kewywords: E-commerce, Responsive Design, User Authentication, Data Fetching.

CraftVista - Art Sharing Platform (2024)

Live Link : CraftVista | GitHub : Client | Server

Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js)

Features:

- Built an interactive platform for sharing and managing art and crafts.
- Implemented user authentication and CRUD operations on the database.
- Added frontend optimization for improved performance.

Kewywords: Interactive Platform, CRUD Operations, React Router DOM, Frontend Optimization

EXTRACURRICULAR ACTIVITIES

Treasurer, SRCC English Club
- Managed the club's finances, including budgeting, expense tracking, and ensuring transparency in all monetary transactions.
- Secured funding for the club from Retina Admission Coaching Centre, ensuring adequate financial support for club activities and events.
- Led the planning and execution of events such as intra-college competitions, presentations, social functions, and educational tours, fostering teamwork and continuous learning.
- Coordinated a free medical treatment camp, demonstrating social responsibility and collaboration with other clubs to strengthen cross-departmental relations.
- Organized English competitions and conducted workshops to improve public speaking and presentation skills, promoting healthy competition and member development.

Volunteer
- Participated in a road-cleaning mission, contributing to community cleanliness and environmental awareness.
- Assisted in relief activities for flood-affected individuals, showcasing empathy and commitment to humanitarian causes.

EDUCATION

2028 - Current
Bachelor Of Science In Zoology
Dhaka College

2024
Web Development Course By Jhanker Mahbub
Programming Hero

2020-2022
Shaheed Ramij Uddin Cantonment College
Science - GPA 5.00 - Higher Secondary Certificate

2018-2020
Shaheed Ramij Uddin Cantonment School
Science - GPA 5.00 - Secondary School Certificate
